

2022 Arcturos Dry Riesling

Black Star Farms is located on the same 45th Parallel that runs through some of the world's great wine regions. Our unique "lake effect" climate allows us to produce classic varietal wines that truly express our dynamic wine region. Fruit is sourced from the proprietor's vineyards and local grower partners on the Old Mission and Leelanau Peninsulas. This diversity allows us to obtain consistent quality across vintages.

Winemaker Comments

Riesling from great vineyards and vintages can produce some of the world's most interesting and age-worthy dry white wines. The 2022 Arcturos Dry Riesling will surprise you with its versatility at the table. Experiment and enjoy!

Tasting Notes

This Riesling is an excellent example of how one of the world's greatest wine grapes thrives in Michigan. Aromas of white peach, lemon balm, and gardenia lead to flavors of McIntosh apples, apricots, and lime zest, with delicate traces of pineapple.

Thoughts for Food

Very versatile with light meats, fish, and seafood. Try it with more delicately flavored cheese and dried fruit. It can also hold its own with Asian cuisine, mildly spiced curry, and sushi.
