WINE HOST BIO

Kimberly Zaccarias and Education, Black Star Farms

Northwest Michigan is fast becoming recognized for its excellent opportunities for growing grapes. The "lake effect" climate enables the growth of classic vinifera grape varieties, including Riesling, Chardonnay, Cabernet Franc, Pinot Noir, and more. Since 1998, Black Star Farms has been producing wines from local vineyards that are consciously crafted from vine to bottle. Grapes are sourced from their proprietor's vineyards and local grower partners on the Old Mission and Leelanau Peninsulas AVAs. Because of Black Star Farms' commitment to preservation, 130 of their 170 acres of vineyards have been protected from development.

In their 20th year, they were honored with the most prestigious award at the 19th Annual Canberra International Riesling Challenge – Best Wine of the Challenge! This award was given to the 2017 Arcturos Dry Riesling and was only the second time in CIRC's history that an American wine came out on top. A record number of Rieslings (567) from six countries – Australia, New Zealand, USA, Germany, France, and the Czech Republic were judged at the challenge. The 2017 Arcturos Dry Riesling scored 98 points and was awarded "Best in Show," in addition to taking home Best Dry Riesling and Best American Riesling. All six Rieslings they submitted received medals, showing a consistent quality across vintages and styles.

Kimberly is a Certified Specialist in Wine with over 16 years in the Michigan wine industry. She travels the state promoting Michigan wine at restaurants, trade tastings, festivals, and other wine-themed events. At Black Star Farms, she hosts wine tours and other curated wine and food experiences. She loves sharing her passion and knowledge of the Black Star Farms story with enthusiasts and novices alike.
